## Ministry Opportunities

**“God is the answer when you are looking for your miracle”**

God has always provided opportunities for us while in the Philippines. For over 21 years we have been going to Cebu Philippines speaking into people's lives as God directs us. We have been in places where the entire island is represented by witches, and we have been where the major religion is Muslim. Where ever we go we know that God has his hand upon us and that are steps are directed and protected.

As we have entered 2018, we feel our ministry is changing and that God is going to increase even stronger than before. We have always fed in the slums and that will continue, what is going to change is the way we bring the message. We are looking to reach people who we feel are left out. We are going to have open special meetings inviting everyone to come and not just church members. It is time that God gets into the hearts of the people who walk back and forth in front of the church We have always focused on traveling from island to island and now it is time to hold special meetings to reach everyone.

The ministry is going to require advertising and getting the local church involved in the planning process. Ministry time will be used to share teachings and not just messages. We will spend more time reaching first the lost, then the sick and so on. I am not sure how it is all going to work, or just exactly how it is going to look, but I do know that God is in control and he will guide us through this new change.

God, bless you,

## A Personal Message

Over the past few weeks, I have been having dreams and visions of what God is going to do through us to reach his people. Some things I do not understand but I do know that God will show us, other things require no explanation. I may not know exactly what is happening, but I have learned a lesson, “listen to God and he will show you the way”.

I am finding that the more I open my mind to what God is saying, the more he uses us. I suppose I have known it all along but never put it into practice. You always ask the question, “is that you Lord or me?” or you may be telling yourself, “I can’t do that because I don’t know how, and it is out of my comfort zone”. Whatever the case may be, if you will allow yourself to be used, God will use you, he is looking for willing souls to complete the tasks at hand. What is that task, **reaching the world with the gospel and telling everyone about his love for them.** Simple and to the point, God loves them, and nothing can replace that.

I am going to continue following this new path that God has put me on and where ever it leads, it is going to be unbelievable.

God, bless you.

# Fund-Raising

We are going to be reaching out asking for your help in the future to help provide advertising, so we can provide crusades reaching out to the masses and not just the churches. We will be researching how best to accomplish the goals God has put before us and what methods will best fulfill Gods directions. We want to be able to invite pastors from other areas to come and join in on our efforts to encourage them and give them information to take back to their own congregations. We may have to provide transportation for them to come, but the more people we can reach, the better.

We want to invite you to be a part of this new look to Ream Ministries International and help us expand in areas we have never been before doing things we have never done before. God has the steering wheel and we are just passengers so why not join with us and become partners with us. Contact us and let us know your thoughts and suggestions on how we can accomplish all of these things.

You can be a vital part and help us by providing your support not only financially but with your prayers. Please pray and seek God for your direction then follow your heart. You can reach us by going to our web site at [www.reamministries.com](http://www.reamministries.com) where you can give online if that is your preference. You can also use the US Mail. The preference is yours and will be appreciated far more than you will ever know. These people are precious, and God loves them just as much as he does you and me.

God, bless you

Steve & Lorraine
