Ministry to Date

“God is the answer when you are looking for your miracle”

We have spent a lot of time in prayer seeking where God wants us to go now. We had our quarterly board meeting in July, and we discussed options of where to go from here. One of the options available to us is that we focus on writing for now. Thoughts have been, doing some teachings that we can provide to Pastors in other countries at no cost to them. No matter which path we take, we know it will be the one that God has chosen for us.

On the other hand, we are preparing for our upcoming trip to Israel in March 2019. We are preparing some mini messages that we can share at some of the interest points as well as other points of interest comments. This trip is going to be a trip of a lifetime and if you are interested, we still have a few openings. If you have ever thought about going to Israel, there is no time like this. The trip begins March 5th and runs through March 14th. If you are interested, please let me know and I will put you in touch with the person taking the reservations.

God, bless you,

A Personal Message

God is moving! He is moving in ways that for many of us, we have never seen. He is preparing for his return and he is equipping those who will be an intricate part in that return. Oh, God is going to use chosen people to help? You bet ya! Those he has chosen are those who pray, those who read their Bible, in other words, he has chosen each and every one of us to fulfill that task. Anyone who is a Christian is a part of his plan, and all you have to do is say yes. God wants to use you.

You might say something like, who am I, or I don't have the ability to do that, but when all is said and done, you have just what God is looking for, a heart after him, and a desire to see that others do not perish without at least hearing about God. I know I may be preaching to the choir, but even though someone may be a Christian, that does not mean they get out of their comfort zone to complete what God is asking everyone to do. It doesn't mean that you don't love God, it means that are uncertain of how others will react, or what they might say. My response to that is, who cares! Think about all the things God has done for you and use that to show others how much God loves them. As an Evangelist, I catch a lot of comments thrown at me but, the only thing that matters is that I do what God is asking me to do and no matter what they say, God keeps saying I love you and that is all I need.

Always remember this, when God returns, For the Scriptures say, "'As surely as I live,' says the LORD, every knee will bend to me, and every tongue will confess and give praise to God." Go tell others and thank God for what he has given to you.

God, bless you.

Fund-Raising

Slum Feeding Cebu, Philippines May 2018

We are going to be reaching out asking for your help in the future to help provide advertising via word of mouth, to reach out to the masses and not just the churches. We will be researching how best to accomplish the goals God has put before us and what methods will best fulfill Gods directions. We want to be able to invite pastors from other areas to come and join in on our efforts to encourage them and give them information to take back to their own congregations. We may have to provide transportation for them to come, but the more people we can reach, the better.

We want to invite you to be a part of this new look to Ream Ministries International and help us expand in areas we have never been before doing things we have never done before. God has the steering wheel and we are just passengers so why not join with us and become partners with us. Contact us and let us know your thoughts and suggestions on how we can accomplish all of these things.

You can be a vital part and help us by providing your support not only financially but with your prayers. Please pray and seek God for direction then follow your heart. You can reach us by going to our web site at www.reamministries.com where you can give online if that is your preference. You can also use the US Mail. The preference is yours and will be appreciated far more than you will ever know. These people are precious, and God loves them just as much as he does you and me.

God, bless you
