*January 2018*

## Cebu, Philippines

**“God is the answer when you are looking for your miracle”**

Lorraine and I want to wish each one of you a very Happy New Years.

Beginning this month, we will be starting our campaign to raise funds for the upcoming trip to the Philippines. We will be leaving on May 10, 2018 and returning on May 17, 2018. This trip is shortened because we have to establish a new support foundation. Since Pastor Ken passed away we have no travel network and we need that network to be safe and to establish ministry opportunities. We will be ministering locally in Cebu, going to the slum areas as well as holding special meetings at Faith Tabernacle Church in Cebu. We will also be stocking the shelves at our Storehouse to feed as many as we can.

This upcoming trip is very important to us and we would ask all of you to pray and ask God what you can do to help us with our mission. Everything helps and goes farther than you know to help the Filipino people. Some are called in their local area, but Lorraine and I have been called to the Philippines and we take our calling very seriously.

If you can help, please contact us and God bless you.

God, bless you,

*Steve & Lorraine*

## A Personal Message

God has blessed Lorraine and I far more than we even deserve. We have been called to minister in the last place we had ever thought of, and we have been doing it now for over twenty years. Each trip we make, we see God do some of the most amazing things and touch and heal people in ways we never thought possible.

With all of the things that have happened to us in the Philippines, I can't help but think about all of our friends and family and even those we don't even know. Why are so many sick and dying and not being touched by God? Are we not doing what we are supposed to do, or have we become so lax in our faith that we are not even certain that God will even hear our prayers? These are some of the thoughts that go through my mind, I can't speak for Lorraine, but I am always thinking.

Not too long ago, I began to have dreams of the things God is going to do and let me tell you he is going to move in ways and do things we can't even imagine. The last days are here and the Bible says that in the last days God will pour out his Spirit on all people (paraphrase) and now is that time. God told me to continue to lay hands on the sick and to prophesy and that is exactly what I intend to do. I know that God heals and I will go to heaven always believing that. What we need to do is to completely surrender and allow God to do the work inside of each of us that he wants to do.

We have seen many miracles in the Philippines and we are going to continue to see those miracles and we are going to be an intricate part of those miracles because not only do we believe they will happen, we know they will happen. Surrender today and I can promise you that you will see things you have only dreamed of. I know this is true because, we have seen things that we have only dreamed of.

God, bless you.

# Fund-Raising

From the contributions we receive the biggest majority goes to purchase food to feed those who for whatever reason can no longer provide for themselves. A great misconception is that they should go out and get a job, but in the Philippines the jobs are few and far between and the people are more than the sands of the beach. Whatever help we can provide, we know goes a long way and if for only a small amount of time the hunger pangs subside.

We will continue to raise money to help us travel once again to the Philippines. God has called us there and we know that he will provide for us. He has told us to do our part and that is to ask. The bible says, “you do not have because you do not ask” (James 4:2) We are asking and more than that, we are praying.

It is your donations that make this possible. We reach out with Agape love, and are able to accomplish much because of your generosity. We want to continue with this same Agape outreach but we need your help and support. Please consider giving on a monthly basis, so when the opportunity arises we can meet the need. As always, we will continue to ship clothing as it comes in to meet the many needs.

Please help us if you are able with your contributions. There are a couple of ways you can help us out. You can go to our web page at [www.reamministries.com](http://www.reamministries.com) and give online at our secure PayPal site. Simply hit the donate button and it will take you directly to the site. You can mail us a check or give the money directly to us if you see us. Or, there is a new thought for us, that you give monthly to give even more if you wish. Whatever way you choose, we appreciate your support and oh how you bless those it is intended for.

God, bless you

Steve & Lorraine
