## Ministry Opportunities

**“God is the answer when you are looking for your miracle”**

There is a big void as to what we are going to do next in the Philippines. After spending seven days in Cebu in May, I came away not having that person we need to help us when in country. I spoke with many people and there were none who fit the criteria we are looking for to travel with us. Our needs are simple and the biggest need of all is that the person be able to drive. Of the people we spoke with there were not one with a license let alone a vehicle to transport us. Another need is connections with churches on other islands, and again only one had limited connections. We are now praying that God will provide that person we need.

On the other hand, we have an opportunity to Pastor a group of about thirty people to Israel. This is a bucket list item for us and an opportunity that we will not pass up. The costs for us is free, which means free airfare, free hotels, and free tours. There is no wonder why we did not turn it down. It took only one second to say yes. The trip is in March 2019. The dates are March 5, 2019 through March 14, 2019. If you have ever had the desire to go to Israel, now is the time. Contact us and we will pass the information along to the coordinator of the tour.

Can you imagine, walking where Jesus walked, and seeing the places where Jesus ministered. We will be baptizing in the Jordan river and so much more. Let us know and we would be ecstatic to have you with us.

God, bless you,

*Steve & Lorraine*

## A Personal Message

Sometimes ministry is not exactly what you think it should look like and not even close to what you were expecting. We have gone from spending our time in the Philippines to Pastoring a tour group to Israel, totally unexpected. We continue to seek those who would like to give and help us provide for the people in the slums of the Philippines, but at the same time look for other ministry opportunities. One such opportunity is to start writing down the thoughts for teaching materials. Who knows, maybe there is another book in the works?

The thing about ministry is you never know, and you learn that God is in control and not you. What a concept right? Who would have thought? We are learning and continue to call upon the source we know gives us the right choice. We like to think we know, but when all is said and done, we are totally out of the picture and God calls the shots and allows us to be a small part.

Ministry is totally different from when we started twenty-five years ago and with less and less opportunities, we look for alternatives I.E. writing study lessons that can be used just about everywhere in ministry. By everywhere, we mean sending them to Pastors around the world in countries that materials are hard to come by and making bible studies that those Pastors could share with those they minister to.

Whatever God decides, we are on board with him and will follow him through every step.

God, bless you.

*Steve & Lorraine*

# Fund-Raising

Slum Feeding Cebu, Philippines May 2018

We are going to be reaching out asking for your help in the future to help provide advertising, so we can provide crusades reaching out to the masses and not just the churches. We will be researching how best to accomplish the goals God has put before us and what methods will best fulfill Gods directions. We want to be able to invite pastors from other areas to come and join in on our efforts to encourage them and give them information to take back to their own congregations. We may have to provide transportation for them to come, but the more people we can reach, the better.

We want to invite you to be a part of this new look to Ream Ministries International and help us expand in areas we have never been before doing things we have never done before. God has the steering wheel and we are just passengers so why not join with us and become partners with us. Contact us and let us know your thoughts and suggestions on how we can accomplish all of these things.

You can be a vital part and help us by providing your support not only financially but with your prayers. Please pray and seek God for your direction then follow your heart. You can reach us by going to our web site at [www.reamministries.com](http://www.reamministries.com) where you can give online if that is your preference. You can also use the US Mail. The preference is yours and will be appreciated far more than you will ever know. These people are precious, and God loves them just as much as he does you and me.

God, bless you

Steve & Lorraine
