Ministry to Date

“God is the answer when you are looking for your miracle”

Right now, we are in the middle of a lull. We have not had any speaking invitations and right now there are no current plans for a missionary trip. We are focusing our efforts for our trip to Israel in March 2019.

I would ask that you pray and consider taking this trip with us. If you have always wanted to go to Israel and it is at the top of your bucket list, then now is the time. We have room for 30 people to sign up and go. We are still looking for more people to sign up.

If you are interested, please contact us and we will get you connected with the person taking the reservations. This will be a trip of a lifetime, and just imagine having the opportunity to go where Jesus went and walked where Jesus walked. How about being baptized in the Jordan river, or feeling the Holy Spirit move while in the Upper Room.

Contact us today and reserve your spot for the ultimate ministry experience.

God, bless you,

Steve & Lorraine

A Personal Message

I would like to take this opportunity to thank each one of you for your support over the past few years, we couldn't do it without you. It is not just a matter of thinking, we need to go to the Philippines or where ever it is God sends us. No, it requires a lot of prayer and consideration before we move on a feeling. We never go unless God directs us to go. I love going to the Philippines and if possible, I would go at least twice a year, but we only go when God says.

We take ministry very seriously because of all the lives God has sent us to. We have been privileged to witness many miracles and have seen literally hundreds of people surrender and give their lives to the Lord. We will continue to reach, and minister where needed. It may not be the Philippines, it could be Thailand, Vietnam, but where ever it is we will answer the call when God calls.

We will continue to reach out for the much-needed support that allows us to travel and reach the people, to provide food and whatever necessary for them to at the very least function. God has been very gracious to this ministry and we want to continue with the integrity we have attained over the years. Literally hundreds and hundreds of children have been providing food and clothing due to your efforts and contributions, and to that I say, "God bless you and Thank you".

We ask you to please pray about becoming a monthly partner with us, so this ministry can provide not only more, but much more. Help our cup to overflow and spill out on those who are in desperate need and we will continue to provide as directed.

It may sound redundant, but we love each of you and once again say Thank You.

God, bless you.

Fund-Raising

Slum Feeding Cebu, Philippines May 2018

We are going to be reaching out asking for your help in the future to help provide advertising via word of mouth, to reach out to the masses and not just the churches. We will be researching how best to accomplish the goals God has put before us and what methods will best fulfill Gods directions. We want to be able to invite pastors from other areas to come and join in on our efforts to encourage them and give them information to take back to their own congregations. We may have to provide transportation for them to come, but the more people we can reach, the better.

We want to invite you to be a part of this new look to Ream Ministries International and help us expand in areas we have never been before doing things we have never done before. God has the steering wheel and we are just passengers so why not join with us and become partners with us. Contact us and let us know your thoughts and suggestions on how we can accomplish all of these things.

You can be a vital part and help us by providing your support not only financially but with your prayers. Please pray and seek God for direction then follow your heart. You can reach us by going to our web site at www.reamministries.com where you can give online if that is your preference. You can also use the US Mail. The preference is yours and will be appreciated far more than you will ever know. These people are precious, and God loves them just as much as he does you and me.

God, bless you

Steve & Lorraine
