Ministry to Date

“God is the answer when you are looking for your miracle”

As we begin to step into Fall, it is time to turn our attention to what and where God wants to put us. We have had a good Summer. We spent time with our children and grandchildren as well as other family members. It is always good to be connected.

Our ministry efforts so far have focused on the Philippines and after a lot of prayer, we believe that our season there has come to an end although we are keeping that door opened for other opportunities should they come along. For twenty-one years we have been reaching out to those who are in need. We are not sure where we will be focusing our resources for now, but we do know that it will be God who directs us.

We are going to spend some time writing teaching papers and Bible studies, so we can have resources to provide to those Pastors who need information. This is going to be a challenge because I am not really a writer, but my prayer is that God moves on my behalf and gives me the words needed.

God, bless you,

A Personal Message

I love to watch the way God orchestrates things that work for his kingdom. I get the chance quite often to talk with some people who don't even see God in any picture, let alone in their lives. I guess that is why God called me to be an Evangelist, to go to those he has called me to go to.

One person I was speaking with asked me about dying and what happens after you die. I told him that death is final except to your spirit. I said, you don't come back as another human being and that you don't get the opportunity to come back and visit. But, there is a life after death in the spirit realm. I told him you have a choice to make right now that could affect where you would ultimately end up. I said everyone who dies with either go to Hell or to Heaven and there are no other choices, one or the other. He asked me if I believed Hell to which I responded, absolutely because the Bible tells me so. His next question was what you would expect, how do you know that the Bible is correct. Answer, because it is the ultimate Word of God, written by him through those he chose to put the words down. The Word of God is infallible and the direction for those who choose to follow what it says.

I told the man that Jesus came and died just for him and that should he choose Jesus then he would have eternal life in Heaven with joy, peace, health, and happiness, but if he chose not to follow Christ the consequences were damnation with suffering and pain for eternity. The man has not made a commitment, but he keeps asking questions and that is a good thing.

Never give up on telling people about the Lord, because you never know who you are going to touch and whose life will be changed forever. Spread the Word and let God do the rest. Plant the seed then stand back and watch it grow.

God, bless you.

Fund-Raising

Slum Feeding Cebu, Philippines May 2018

We are going to be reaching out asking for your help in the future to help provide advertising via word of mouth, to reach out to the masses and not just the churches. We will be researching how best to accomplish the goals God has put before us and what methods will best fulfill Gods directions. We want to be able to invite pastors from other areas to come and join in on our efforts to encourage them and give them information to take back to their own congregations. We may have to provide transportation for them to come, but the more people we can reach, the better.

We want to invite you to be a part of this new look to Ream Ministries International and help us expand in areas we have never been before doing things we have never done before. God has the steering wheel and we are just passengers so why not join with us and become partners with us. Contact us and let us know your thoughts and suggestions on how we can accomplish all of these things.

You can be a vital part and help us by providing your support not only financially but with your prayers. Please pray and seek God for direction then follow your heart. You can reach us by going to our web site at www.reamministries.com where you can give online if that is your preference. You can also use the US Mail. The preference is yours and will be appreciated far more than you will ever know. These people are precious, and God loves them just as much as he does you and me.

God, bless you
