

Ream Ministries International

Newsletter - September 2017

On a sad note for this letter, my heart is broken. Our good friend of thirty years and our ministry contact in the Philippines, Pastor Ken Tagud passed away. He will be greatly missed and the fact is not that he is gone, it is that he has gone on ahead of us.

We will continue to go to the Philippines and send clothing as well. After speaking with Pastor Ken's wife Fe, she is committed to being there for us and making whatever arrangements we will need for a visit. We will probably not go out to some of the areas as before because Pastor Ken had great influence and until we get to know those who will work with us it is better for us to be safe. We do know many pastors and the areas that we will continue to go to are places like the islands of Bohol, Leyte and the smaller islands around Cebu reachable by Pump Boat only.

We know that God is in control and he has great plans for us and a ministry that is even stronger now than it was. Please continue to pray for us and also please consider becoming a monthly partner with us so we can complete all of the tasks that God has set before us. He will provide and he is expecting us to do our part which is ask. The bible says that we do not have because we do not ask James 4:2, so we are asking as well as praying.

We are excited about our future and look forward to the challenges that God has put before us.

Fund-Raising

As we continue to strive to get contributions for our trip to the Philippines, we would like to remind you of the purpose. Just a few weeks ago as I was on the internet, I seen a post about a 6.9 magnitude earthquake that hit a city on the island of Leyte, Philippines that we have personally been to several times. The devastation was intense to say the least and it knocked out power and destroyed many buildings. I checked with a pastor friend who lives on Leyte and he told me that they were having problems having church because of no power and he was going to have to either beg, borrow or steal a generator. After praying and discussing the situation with my wife and our ministry board, we purchased a large generator to help them out.

It is your donations that make this possible. We reach out with Agape love, and are able to accomplish much because of your generosity. We want to continue with this same Agape outreach but we need your help and support. Please consider giving on a monthly basis, so when the opportunity arises we can meet the need. As always, we will continue to ship clothing as it comes in to meet the many needs.

Please help us if you are able with your contributions. There are a couple of ways you can help us out. You can go to our web page at www.reamministries.com and give online at our secure PayPal site. Simply hit the donate button and it will take you directly to the site. You can mail us a check or give the money directly to us if you see us. Or, there is a new thought for us, that you give monthly to give even more if you wish. Whatever way you choose, we appreciate your support and oh how you bless those it is intended for.

God, bless you
